First Gospel**

“The Awakening”

The signs were already appearing – the rise of the Feminine Divine, the shift in global consciousness, the call to unite as a species.

The Queen had spoken, and her prophecy would come to pass. As the energies aligned and the veil lifted, humanity would awaken to their true potential, and the 'Age of Gaia' would dawn.

The awakening spread, until it seemed as though the entire world was awakening, and a new era was being born. The Queen had spoken, and her word had come to pass. The 'Age of Gaia' had begun, and humanity was at last ready to embrace its true destiny. The sleeping giant had awakened, and the world would never be the same again...
